HUERTA PROMISES TO PUNISH MURDER OF PARKS AT VERA CRUZ

Secretary of Foreign Affairs Sends Message to State Department Through Brazilian Minister-Silliman's Release Being Insisted Upon.

The Huerta government has promised to punish those responsible for the death of Orderly Parks.

The Brazilian minister at Mexico City today notified the State Department of a promise by Huerta's Secretary of foreign affairs to this effect, if he finds the killing actually occurred within the Mexican federal lines at Vera Cruz.

This message, received by Secretary of State Bryan at noon today, was the first word he had had in reply to his urgent demands of last week upon the Mexican govern-

Simultaneously, Mr. Bryan announced that the demand for Consul Silliman's release will be presented again to the Huerta government.

take up the Silliman matter

The Brazilian minister at Mexico City also notified the State Department

that a special train would take 250 refugees from the capital to Puerto Mex-General Funston's dispatches were silent on the point of a rumored adva ALIST ARMY, Rio, Coahuila, Mexico, of Mexican federals in Vera Cruz and

War Department officials were inclined to doubt the truth of the report.

The Huerta government also advised the State Department today through the same source that three Mexicans have been appointed to take charge of the Lobos Island lighthouse.

Constitutionalist authority has directed a proceeding against the bandit Quevado, whose depredution has been the subject of protest of the State Department. General Carranza has also taken steps to investigate the selsure of bullion belonging to the Bacis Gold and Silver Mining Company, as a resuit of representations at Durange by the British vice consul. General Obregon is investigating the detention of foreigners at Quemadis.

Protest High Export Duties

Protest High Export Duties.

The United States Government has rotested to the constitutionalists at Tampico against "any severity in the administration of laws at that port Mr. Bryan would not specify the exact meaning behind the order, but, from his refusal to answer questions about ciuties, it was apparent that this Government has demanded the rebil main federals to evacute Saltillo, and attempt to reach San Luis Potosi. Courters reported today, however, that there were no indications of a general federal movement south.

Villa established a temporary base here ten miles north of Saltillo. It alleged lax protection. The Secretars has advised that the constitutionalists have not demanded a forced loan at Tampico. He admitted however, that he was informed of a "request" for funds from Mexicans and Spaniards.

Asked Contributions. Admiral Mayo reported to the Navy

Department that "on Saturday, General Caballero requested, through the Tampico Chamber of Commerce, that all business firms in Tampico subscribe to a voluntary fund for the constitution-

This contribution was not to be in

This contribution was not to be in the form of a regular war tax, for which receipts would be given. Now was it to be an advance payment of any or all taxes for a definite period. Instead it was to be a contribution for which no receipt would be given. Mayo reported considerable contributions from Mexicans and Spaniards, but said that so far no demand had been made on other foreign business firms. The constitutionalist general made no reference to this request in conferring informally with Mayo on Saturday.

Admiral Mayo declared there was no truth in newspaper reports that the rebels had ordered Dutch marines to leave the country. They were reported to have landed from a Netherlands gunboat some time ago for protectio Dutch oil wells.

Senate After 18 Months

Senator Charles A. Culberson of Texas.
